Description

A good example of a set of antique silver grape scissors. They are good quality, weighing approximately 92g, and are very simple and plain in design. They measure approximately 6" (15cm) long and are 2" (5cm) wide across the handles. They are clearly hallmarked for London, 1908 and the maker Brewis & Co. They are in excellent condition for their age. There are no major damages and they display beautifully. There are some faint surface marks but nothing detrimental. They have been gently cleaned and polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
