Description

A lovely example of a small Sterling Silver toast rack. It is a stylish good quality piece standing on four bun feet with circular divisions. It is clearly hallmarked for Birmingham, 1912 and the makers Elkington & Co Ltd and weighs approximately 64g. It is in good condition. There are some faint surface marks and a few light scratches and a small dent on the handle but nothing detrimental and overall it displays well. It has been gently cleaned and polished is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
