Description

A superb example of a green glass scent bottle in its original sterling silver case. The case is excellent quality with ornate repousse decoration and a hinged lid with snap catch. The whole case opens up to reveal the most beautiful gilt interior. The silver case is clearly hallmarked for Birmingham, 1901 and the maker Cohen & Charles. It is in excellent condition for its age. The silver is in good condition and the gilding is still bright. There are no cracks or major damages to the glass bottle and it comes with its original cork stopper. It has been cleaned and the silver gently polished and overall it displays very well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
