Description

A beautiful Victorian scent bottle with ornate floral decoration. It is a pretty teardrop shape with a hinged lid and one side has an engraved cartouche with scrolling initials JMH. The silver is hallmarked for Birmingham, 1889 and the maker Horton & Allay. It is in good condition for its age and there are no major damages. The hinge is strong although the lid doesn't close as firmly as I would expect it to. There is no internal stopper. It has been cleaned and the silver gently polished and overall it displays very well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £6, rest of the world £25.
