Description

An unusual bronze table lamp in the Egyptian revival taste with three standing figures of heraldic style hawks around a central reeded column. It is a very good quality piece with lots of detail, good casting and a good weight. Possibly once an oil or gas lamp, it has now been converted to an electric table lamp and re-wired with a standard bayonet bulb holder. It is in good working order and has been PAT Tested for electrical safety. The lamp is in excellent condition and displays well. There are some minor marks and general signs of age use but nothing detrimental. It has been lightly cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK delivery £15.
