Description

A beautiful antique chest of drawers on legs in burr walnut. This was made in England, it dates from around the 1920-30's. The quality is excellent, this has absolutely gorgeous burr walnut grain patterns throughout. It is a very useful size to be used as a bedside chest, or as a side chest in various other settings around the home. There is lots of storage space, the drawers are solid oak lined, with fine hand cut dovetailed joints. We have had this recently re-polished, the condition is excellent for its age.
