Date of manufacture: 19th Century

Dimensions

Height = 48 cm (18.9")

Width = 59 cm (23.2")

Depth = 36 cm (14.2")

Description

Charming Japanese elm wood Tansu chest in original untouched condition. There are historic knocks, marks, cracks and scratches as is to be expected an item of its age, however these only add to its appeal as a very functional antique. Its 7 drawers all run smooth and retain the original iron handles and provide ample storage. It has gained a wonderful rich colour and patina over the years with many more years of use ahead.

Internal Ref: SAI2917
