Description

A beautiful example of a Victorian high chair in beechwood and elm. It retains its original finish with a rich, warm colour, a deep patina, and a wonderful lustre shine. Sturdy, and with no woodworm. It has a retaining bar, a footrest, and four splay legs united by an H-stretcher. The solid elm seat has a particularly well figured grain to the wood. This charming high chair is English, c.1860 to c.1880. . . .
