## George II mahogany tray top commode

Price

**Sold****Item Reference: SA976837****Date of manufacture: 1750**

## Description

A beautifully patinated George II period mahogany tray top commode; the elegantly shaped tray top pierced with carrying handles above a pair of cupboard doors and with a pull-out drawer below; raised on square chamfered legs. This tray top commode retains its original handles and a beautiful untouched colour and patination.

Internal Ref: BA969
