Description

A wonderful 18th century antique oak dresser base. The antique dresser base has a two plank moulded top above an arrangement of three fitted drawers, each with brass drop handles and backplates. The oak dresser base has a shaped front and is raised on four square tapering legs. A rather lovely example. Item Ref; M-4617 .

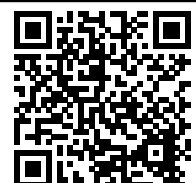

DIMENSIONS: Height - 77cm / Width - 140.5cm / Depth - 45cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and shrinkage splits to the top (pictured), further marks, scratches and fading to the front and sides (pictured). There are minor losses to the drawer fronts (pictured), however this doesn't affect the overall integrity of the product. The antique oak dresser base remains structurally solid and sound, with the drawers running well. There is also evidence of historic woodworm, however this is now long gone and has been fully treated as a precaution. Overall, a neat example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look...
