Date of manufacture: 19th Century

Description

A really super late 19th century document seal is in the original brass box. The seal inside is for the Habsburg family and would most probably have been on an important document. The seal is in very good condition with clear detail. The brass box is wonderful quality and on both sides can be seen holes where it would have been attached to the original document. 9 x 9 cm diameter D 1.5 8.5 cm diameter of wax seal
