Description

A beautiful antique inlaid mahogany stool. This was made in England, it dates from around the 1900-1910 period. It is of very fine quality, with an elegant yet sturdy design. The mahogany frame has a nicely curved back rest, with cabriole legs and nicely turned stretchers. There is lovely satin wood inlay throughout, this looks great from all angles. We have had the frame re-polished and re-upholstered in a cream cotton fabric, the condition is excellent for its age. I'm not sure if this is meant to be a piano stool or not. It does have the correct seat height. However – It could have many uses in the home. Width – 22 inches , 56 cm Depth – 16 inches , 41 cm Height – 25 inches , 64 cm Seat height – 21 inches , 53 cm
