Description

A 19th century antique oak chest of drawers, of narrow proportions. The antique chest of drawers has a bank of four graduating drawers, each with two decorative regency style brass backplates and drop handles. The oak chest of drawers is raised on bracket feet. A rather neat example, with lovely patina throughout. Item Ref; M-4623 . DIMENSIONS: Height - 93.5cm / Width - 66.5cm / Depth - 47.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, dents and splits to the top and sides (pictured), further marks and scratches to the front. The antique oak chest of drawers remains structurally solid and sound, with the drawers running well. The drawers are lined with colourful floral fabric. Overall, a good example of its kind. Of narrow proportions. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
