Description

A charming 18th century antique oak chest of drawers. The antique chest of drawers has an arrangement of two short over three long drawers, each with brass swan neck drop handles. The oak chest of drawers is raised on bracket feet. A wonderful example, full of authentic charm. Item Ref; M-4621 . DIMENSIONS: Height – 82.5cm / Width – 89cm / Depth – 51cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, shrinkage and splits to the top and sides (pictured), further marks and scratches to the front (pictured). There are also minor losses to the drawers in places (pictured), however this doesn't affect the overall integrity of the product. The antique oak chest of drawers remains structurally solid and sound, with the drawers running well. There is also evidence of historic woodworm to the back, however this is now long gone and has been fully treated as a precaution. The drawers are lined with colourful floral fabric. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is real...
