Description

A neatly proportioned late 18th century antique oak chest of drawers. The antique chest of drawers has an arrangement of four long graduating drawers, each with two decorative brass backplates and drop handles. The oak chest of drawers is raised on bracket feet. A rather charming example, with lovely colour and grain throughout. Item Ref; M-4620 . DIMENSIONS: Height – 79cm / Width – 89cm / Depth – 50cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches, stains, fading and shrinkage to the top (pictured), further marks, scratches and shrinkage to the sides (pictured). The front also has age-related marks, scratches and fading, however the patina adds to its character and authentic charm. The antique oak chest of drawers remains structurally solid and sound, with the drawers running well. The drawers are lined with a green and blue floral fabric. Overall, a good example of an 18th century chest of drawers. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home!
