Description

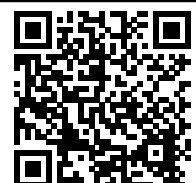

I love the deep indigo-blue field of this handsome rug, made in the Kuba region of the eastern Caucasus around 1900. The blue field is filled with small shrubs with stylised birds nesting on either side in beautiful natural colours. The ivory main border is protected by an inner and outer blue border, each containing the 'S' symbol or stylised dragon. The rug is in excellent condition. Size: 1.57m x 1.12m (5' 2" x 3' 8").
