Description

This super and unusually EARLY VICTORIAN MAHOGANY COFFEE TABLE dates from circa 1840. Its original use was as a bidet and it still retains its original, removable, TOLEWARE liner. This two-handled liner is water tight and is adaptable for many uses. Our last photograph shows it being used as a Jardiniere. The condition is good. The Table is strong and stable and the mahogany has developed a good patination. Height: 18.5 inches (47 cm) Width: 28 inches (71 cm) Depth: 20 inches (51 cm)
