Description

On offer is this excellent antique double ended perfume bottle measuring 11 cm long and dating circa 1880. This scent bottle is made of deep emerald green glass and is beautifully cut with diamond shaped panels. The bottle is fitted with gilt metal lids. One end of the bottle has a cork lined screw lid and the other end has a hinged lid. Under the hinged lid is the original clear glass inner stopper. This antique perfume bottle offered is offered in very good condition free of chips, cracks or fractures. The necks of the bottles and the inner glass stoppers are also undamaged. The lids fit firmly and securely and have no dents or dings. Price includes free UK postage. International shipping is also available at cost - please contact us for price and details. Payment is accepted via Paypal, bank transfer or UK personal cheque. Thank you for looking.
