Description

A good antique blanket box dating from the late 19th / early 20th century. The pine has mellowed to a lovely warm colour and it is a good quality piece with dovetail joints and metal carrying handles on the sides. The interior is generally clean and tidy. It has its original strap hinges and small lidded candle box inside. It is a good large size, perfect for a coffee table, TV Stand, end of the bed storage or toy trunk. It is in good condition for its age and displays well. There are some signs of use and age, some general knocks and surface marks but nothing detrimental and no major damages. The top planks have shrunk slightly over time but it is strong and sturdy. There are some minor signs of historic worm which has all been treated as a precaution. The box has been cleaned and gently polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
