Description

An attractive early 20th century antique pine chest of drawers. The antique chest of drawers has two short over three long graduating drawers, each with wooden knobs. The pine chest of drawers is raised on a solid plinth base. A rather charming example, finished with a fresh coat of natural wax. Item Ref; M-4562 . DIMENSIONS: Height – 78.5cm / Width – 107.5cm / Depth – 43.5cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top, sides and front (pictured). There are also shrinkage splits to the sides (pictured), however this doesn't affect the overall integrity of the product. The antique pine chest of drawers remains structurally solid and sound, with the drawers running well. Finished with a fresh coat of natural wax. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item.
