Description

Antique Mahogany Double Chain Fusee Mantel Clock By Goldsmiths & Silversmiths London. This lovely antique mantel clock has a mahogany case with a lovely rich colour and grain. The top of the case is then nicely shaped with a moulding to the front and side edges. The body of the case is then square with the front corners having inlet, reeded columns as well as the front having an inlet section with hanging cloth shaped detailing. There is then a moulding separated by a flat section leading to the final shaped moulding around the base. The whole thing is then finished by four thin, round brass feet. The dial is then silvered and set out in black Roman numerals with a thin ring to the outside marking the minutes. The centre of the dial is then signed by the famous makers "THE GOLDSMITHS & SILVERSMITHS CO 112, REGENT STREET LONDON, W". The dial is then finished by two nicely shaped hands as well as a domed, protective glass set into a shaped brass bezel. The movement is then wound from the front and accessed from the back. It is a double chain fusee example of the upmost quality and ticks away as it should. The clock then chimes both the number of hours on the hour as we...
