Description

DESCRIPTION A is stunning Original Art Deco natural old mine cut diamond brooch. **HALLMARKS** Not Hallmarked but tests as minimum 18ct and platinum **MEASUREMENTS** Diameter; 45 x 30mm **Diamonds;** 1-5.5mm a lovely bright white old cut diamonds. Estimated diamond content 8.00ct. The diamond content actually measures up at 8.75ct without inclusion of the smallest 1-2mm diamonds but this is all in situ and so we have been extremely cautious in our selling guide. Most diamonds weigh 0.65ct, 0.35ct, 0.40ct, 0.15ct with some smaller ones measuring 0.10ct The diamonds are graded Vs2-Si3 and H-J in colour Superb quality, much nicer than the norm. Beautiful and sought after design. Most of these brooches have been broken down for their diamond content making these now an extremely desirable piece **Weight;** 15.2g **CONDITION** Good condition, minimal signs of wear commensurate of age. A superb investment piece
