Description

A lovely antique mahogany tall plant table or torchere in mahogany. This was made in England, it dates from around the 1900-1910 period. The quality is excellent, this is a very well made and useful item. It is perfect for use as a plant stand, lamp table or for displaying objects. This has a very unique hidden drawer built into the lower tier, with a clever spring loaded mechanism to open it. We have had this recently re-polished, the condition is excellent for its age. There is just some old minor wear here and there beneath the polish. Width base – 18 inches , 46 cm Width top – 14 inches , 36 cm Height – 39.5 inches , 100 cm
