Description

Antique Brass Cherub 6 Light Candelabra Lamp A gorgeous antique candelabra table lamp. This was owned originally by Stobo Castle, Scotland before new owners took it over and made the venue into a luxury spa. The quality is lovely, this is cast in wonderful detail and depicts a beautiful cherub supporting the main column. There are five branches to the lamp and faux candle stick bulb holders. This is in great condition for its age, we have given it a light clean, there is just the right amount of wear and patina. We have just had this re-wired, it is in good working order. Fully rewired using 3 core braided fabric cable with new lamp holder (Bayonet), UK 3 pin plug and PAT inspected. Height: 60 cm Width: 28 cm Weight: 8 kg
