Description

A beautiful and impressive pair of antique Swedish armchairs in satin birch. They were recently imported from Sweden, they date from around the 1900-1910 period. The quality is outstanding, they are very well built, generous in proportions and are very comfortable to relax in. The satin birch frames have beautifully scrolled over arms and sit on bold claw and ball feet. We have had the frames re-polished, the satin birch has gorgeous colour tones and grain patterns. They have also been fully re-upholstered in a cream cotton fabric, with brand new feather filled cushions. Width – 30 inches , 77 cm Depth – 37 inches , 94 cm Height – 30 inches, 77 cm
