Description

A good quality pine chest of drawers dating from late 19th Century. The pine has a lovely warm colour and a smooth waxed finish. Each drawer has a turned wooden knob and it stands on small bun feet below a plinth base. It is a nice small size whilst still offering plenty of storage. They are in good condition for their age. Each drawer is generally clean and tidy and opens and closes smoothly. There are some signs of age and use with light surface marks, minor knocks and a few old repairs but nothing detrimental. They have been cleaned and given a gentle polish and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers. Please get in touch for an accurate quote to your location.
