Description

In addition to being a rare example, this Victorian side table is extremely versatile. It would make a superb hall table, dressing table or side table. The galleried top sits above two drawers with original turned handles and stands on tapering ring turned legs. The shaped frieze is particularly unusual and very decorative. The table is in good, untouched condition and ready to add impact wherever it is placed. c. 1870 Code: T1019 Width:
