Description

Fine George 2nd or early George 3rd walnut hanging wall mirror of plain oblong shape. Nicely moulded walnut facings with gilt slip and the most gorgeous original softly bevelled mirror plate. The mirror has some slight shaping to the top two corners which is reflected in the mirror plate. The mirror frame is all veneered in cross grain walnut on all sides, top and bottom. It retains its original brass hanging handle to the top. It is hard to reflect in the photos just how nice this mirror is, the plate is just wonderful. SIZE; 30 1/2" high by 16 1/2" wide CIRCA; 1750 - 1760
