Description

A rather charming George III antique mahogany chest of drawers. The Georgian chest of drawers has an arrangement of two short over three long graduating drawers, each with wooden knobs. Raised on bracket feet. A particularly pleasing example, with lovely patina throughout. Item Ref; M-4640 . DIMENSIONS: Height – 123.5cm / Width – 101.5cm / Depth – 47cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks, scratches and minor dents to the sides and top, also a shrinkage split to the top (pictured). There are further marks, scratches and fading to the front (pictured), also minor losses to the veneer (pictured). The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
