## Description

For your consideration is this stylish Art Deco ashtray we're attributing to Frankart inc, see bio below. The overall size of this piece makes us think this might have been produced for commercial use, as it's larger than standard sizes for these objects. Lovely aged finish, base metal is spelter. Usually with Frankart pieces they are enamelled in green or have been given a bronzed effect, so this one is a little more rare and unusual. Condition is good, she displays beautifully.
