Description

Superb 1930's Art Deco large female nude figure made from underwired plaster, Totally authentic. This is NOT a modern reproduction . A lovely lady who makes a big statement ! Condition is superb considering that this type of figure is very vulnerable to damage, it's incredible how this piece has survived . The registration marks are clearly visible - see pics . The figure is underwired and cold painted on top of plaster. Wear consistent with age and use. Minor structural damages. There are one or two hairlines which don't seem to be causing any issues or increased fragility to the figure and maybe just suffice level. FREE UK mainland delivery
