Description

Antique silver Zenith pocket watch, 1915. The watch has a good quality stem-winding movement which is working nicely. The movement is fully signed and it has the serial number 2,088,715 which dates it back to 1915. The movement is protected by an inner hinged cover which has details of the movement and also of medals won at Geneva and Paris exhibitions. The watch measures 51mm diameter excluding the winding stem and the loop. The case is 800 silver and is stamped as such inside both of the back covers. The inner back cover has the Zenith logo. The front of the case is in lovely condition. The hinged case back has unevenness and light surface marks. The acrylic lens is in good condition. The signed dial has lovely ornate hands, a subsidiary seconds dial and outer minute markers. There is a faint hairline running between 2 and 4. The watch comes in a new presentation box.
