Description

An impressive Victorian antique mahogany chest of drawers. The antique chest of drawers has an arrangement of two short over three long graduating drawers, each with wooden knobs. The Victorian chest of drawers has decorative shaped pillars to the sides and a shaped apron to the front. A rather pleasing example, raised on turned feet to the front and bracket feet to the back. Wonderful patina throughout. Item Ref; M-4643 . DIMENSIONS: Height – 122.5cm / Width – 125cm / Depth – 59cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the top, front and sides (pictured), also fading to the drawer fronts (pictured). The antique mahogany chest of drawers remains structurally solid and sound, with the drawers running well. Overall, a good example of its kind. Our carpenter inspects, repairs, and restores our items, so you can have full confidence that what you buy from us is ready for your home! We ask that you take the time to look at all the photos as they form part of the description and condition report of the item. .
