## Description

A superb antique Ceylonese quill box with 12 internal compartments and a lift out tray. Perfect for jewellery or trinkets. The structure of the box itself is an ebonised wood, decorated with small white circles of bone. The outer of the box is decorated with porcupine quills in different black and white patterns. Inside the box has a lift out tray fitted with 12 compartments with lift off lids, each also decorated with bone circles. The box is in very good condition and comes with its original working key. It is structurally sound with a few minor losses and signs of age and use but nothing detrimental. One of the small brass pins that help to pull out the tray is missing but it still comes out smoothly with the one. The best description comes from the photos so please look at them carefully and if you have any questions just ask. Tracked UK delivery £15
