Description

A good quality late Victorian brass corinthian column standard lamp with stepped base and lions paw feet. The top part is telescopic so the height can be adjusted. It is in excellent condition and has been cleaned and polished. There are a few minor signs of age and use, some light marks and dinks but nothing detrimental. It has been rewired to modern standards to take a bayonet bulb and it is PAT Tested. The lamp is 140 cm raising to 198 cm in height. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide Delivery available through our network of reliable couriers.
