Description

A superb mahogany Linen Press dating from the mid to late 19th Century. It has two nicely panelled cupboard doors that open to a shelved interior with the original linen slides that pull out. This sits atop two short and two long drawers with the original turned knobs on bracket feet. It is in very good condition. The interior is clean and tidy and the drawers run smoothly. All the knobs are original and the mahogany has a wonderful rich patination and there are no major damages to the exterior. There have been some minor repairs and of course some signs of age and use here and there but nothing detrimental. It comes with its original working key for the cupboard doors. It splits into two parts for transport. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Delivery is available through our network of reliable couriers. Please get in touch for an accurate quote to your location.
