## Description

A gorgeous antique figured walnut chest on chest in the Georgian style. This was made in England, it dates from around the 1930's. It is of great quality and is a very useful size; slim so as not to take up too much floor space, yet offering plenty of storage space. It has a bow shaped front and sits on bracket feet, the highly figured walnut grain patterns are stunning. We have recently had this re-polished, the condition is excellent for its age. Width – 23 inches , 59 cm Depth – 15 inches , 38 cm Height – 43 inches , 109 cm
