**RARE SILVER PLATE NOVELTY
COW CREAMER CREAM JUG
c1940**

Price

Sold**Item Reference: SA980048****Date of manufacture: 1940**

Description

A beautiful high quality silver plated novelty cream jug. It is unmarked but most likely dates to the early to mid 20th century. It has been beautifully cast in the form of a cow with an open mouth for pouring. It is in super condition being free from dings splits and repairs. No wear to the plate. It measures approx. 6 inches (15.5cms) long by 4 inches (11cms) tall and weighs 282 grams. A beautiful high quality piece.

Internal Ref: 30481
