Description

A huge top quality Italian solid silver pepper pot, grinder, mill. It is hallmarked with the 800 silver standard mark and a makers mark. I would date it to c1920 having a very stylish classical Art Deco design. It is in superb condition being free from dings, splits and repairs. It works perfectly. It measures approx. 7.5 inches (19cms) tall by 2.5 inches (6.2cms) across the base and weighs 275 grams (including the metal workings). A very stylish very impressive piece.
