## Description

Antique American Oak Bentwood Elbow Chair. A comfortable classic chair. We are offering for sale this lovely condition American Oak bentwood elbow chair made around circa 1890. This timeless chair features a curved shaped and carved top rail to a spindle back with sweeping curved bentwood arms which descend to the solid sculpted tongued seat. This comfortable elbow chair stands on a simple spindle turned base with double stretchers for strength and lightness making this an ideal desk chair. The chair also features its beautiful lightly faded original golden dark oak french polished colour. The chair is solid with no loose joints or wobbles. The chair does have an old repair to the top of the right arm, however, the repair has been done well, is strong and is not very noticeable. Please note; this item is in very good condition for its age but does have signs of wear and tear, however, we feel that these points are which adds to part of its charm and character with it being antique. Dimensions Height: 915mm Width: 580mm Depth: 600mm Seat Height: 440mm Delivery \*Insured courier normally around £60 for this item - Enquire for accurate quote\*
