Description

A smart and beautifully designed antique console table in mahogany. This was made in England, it dates from around the 1900-1920 period. It is of great quality, with lovely inlaid parquetry patterns on the front and side edges. The legs are tapered and grooved, this has a cross banded top, and the back is also nicely finished so this can be used as a free standing item. We have recently had this re-polished, the condition is excellent for its age. There are just a few very minor marks here and there remaining beneath the polish, commensurate for age. Width - 39 inches , 100 cm Depth - 16 inches , 40 cm Height - 30 inches , 75 cm
