Description

A lovely pine chest of drawers dating from late 19th / early 20th Century. The pine has a lovely warm colour and a smooth waxed finish. Each drawer has a turned wooden knob and it stands on turned bun feet. It is a nice small size whilst still offering plenty of storage. They are in good condition for their age. Each drawer is generally clean and tidy and opens and closes smoothly. There are some signs of age and use with light surface marks, minor knocks and a few old repairs but nothing detrimental. There are some minor historic signs of worm which has all been treated as a precaution. The chest has been cleaned and given a gentle wax and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
