Description

A fabulous pine chest of drawers dating from late 19th Century. The pine has a lovely warm colour and it is a good large size offering plenty of storage. Each drawer has turned knobs and it stands on turned bun feet. They are in good condition for their age. There are some signs of age and use with light surface marks, a few small scratches and minor knocks but nothing detrimental. Each drawer is generally clean and tidy and opens and closes smoothly. They have been cleaned and given a gentle wax and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
