Item Reference: SA980453

Date of manufacture: 19th Century

Description

Early 19th century granite farm weight or tethering block. French circa 1820. Height 6 inches. Width 9 inches. Depth 8 inches. It looks like a 25 carved into the block, could be 25 french pounds before metric in the late 18th century, I have erred on the side of caution with the date, it might be 18th century.
