Description

Gents Tissot Seastar wrist watch, 1957. The watch has a 17-jewel hand-winding movement, calibre 26.9-21, which is working nicely. This particular calibre was in production from 1956 until 1960. The serial number on this watch is 3,964,408 which dates it back to 1957. The watch measures 33.5mm diameter excluding the winding crown and the lugs. The main body of the case is stainless steel. There are a couple of scratches to the back and some light surface marks but nothing too detrimental. The lens is in good condition. The signed dial is in good condition with original hands and centre seconds hand. A new leather strap has been fitted. The watch comes in a new presentation box.
