Description

Grand Regency Mahogany Tilt top Dining Table. The chairs photographed are not included however are available separately. A fantastic fully restored solid mahogany large tilt top table. We bring to you the most marvellous example of a restored Regency solid Mahogany Tilt top round table of substantial size believed to be made around C1820. This table has been fully restored so is in stunning condition with a lovely highly glazed French polished finish and deep rich Mahogany colour. The stunning and very unusual table features a solid Mahogany top above its striking highly carved and substantial base which incorporates 4 large sabre legs on very large highly ornate polished brass castors. The table base incorporates beautiful highly ornate laurel carvings to the turned pillar and between the legs. The sabre style legs have carvings which follow down the top of the legs and are flanked either side by turned rosettas culminating to the heavy solid Polished brass laurel castors. Unusually and as a sign of quality this tilt top table has no movement or play in the mechanism as the table is being normally used, the top is flat with no bowing or twisting and its brass snap lat...
