Description

A top quality rosewood cabinet made to the highest level. Lower and upper base are flanked with glass display cabinets and all glass and mirrors are finished with a bevelled edge. Surrounded by the finest of inlays to all areas it really is a cabinet that keeps on giving. Certain areas have a fretwork brass gallery to give that extra touch. Top right finial has had a little taken off and centre mirror has some tarnishing which I have tried to show in pictures. Apart from that this is in fantastic condition for a cabinet of this age. All locks are in working order and has 3 keys which will work all door locks. Please feel free to message for any other queries. Item is collection only or please contact seller for possible delivery quote from LL29
