Description

As desirable now as they were more than a century ago, these elegant earrings feature faceted rock crystal quartz set in a pretty crown-style mount at the top with faceted teardrops below. The earrings are silver with solid nine-carat gold wires. • Condition: Very good antique condition. If you look at the earrings upside down under strong magnification the very ends of the crystal tips have tiny chips. • Fixing: Ear wires, supplied with tiny plastic "keepers" to pop on the back for extra security. • Era: Edwardian c.1910s. • Size: 4.7cm total drop. The teardrops measure approx 2.7 x 0.7cm. • Weight: 3.7g.
