Description

French Walnut Gueridon Side Table Directoire Period A beautifully crafted walnut gueridon features a red, white and grey variegated marble set into a turned moulded frame. The frieze below depicts a laurel leaf band and rope moulding. The turned tapered legs have bulbous teardrop and reeded carving. Below is a traditionally caned shelf. The piece has good proportions and a pleasing mellow patina. The caning is intact and in good condition commensurate with its age. There is evidence of some historic (long-gone) worm and the piece has been treated as a precaution. Circa: 1790 This piece is in our UK store. Shipping will be £70 for delivery to an address in England. We can provide quotes to the rest of the UK, Europe and worldwide
