Pair of Georgian shoe buckles

Price

Sold**Item Reference: SA981695****Date of manufacture: 18th Century**

Description

This is an interesting pair of late 18th century buckles. Super quality and condition. The buckles have a gold coppery finish to them, pinchbeck? and they have a makers mark CP to both buckles. Could also be the owners initials. Various articles do refer to Christopher Pinchbeck Junior as being a buckle maker, his dates are 1710-1783 and if these are indeed by him they will date to circa 1780. The box would appear to have been made later but is in good overall condition and the buckles fit well. Each buckle measures L 6 cm W 4.5 cm Box measures 14 x 8 x 2.5 cm
